## Professional experience

May 2018-Present	<p>Senior researcher</p> <p>UNEP DTU Partnership, Technical University of Denmark (Denmark)</p> <p><u>Tasks:</u> contributing to the management and implementation of aid-funded projects, notably, to assist developing country governments with the implementation of their NDCs, to improve countries' climate change transparency framework by developing improved domestic MRV systems, to mobilise private sector investment in climate change mitigation, and to research on non-state actor actions and the sustainability impacts of climate change mitigation policies</p>
May 2015 - May 2018	<p>Researcher</p> <p>UNEP DTU Partnership, Technical University of Denmark (Denmark)</p> <p><u>Tasks:</u> contributing to the management and implementation of aid-funded projects, notably, to assist developing country governments with the implementation of their NDCs, to improve countries' climate change transparency framework by developing improved domestic MRV systems, to mobilise private sector investment in climate change mitigation, and to research on non-state actor actions and the sustainability impacts of climate</p>

	change mitigation policies
Nov 2014 - May 2015	<p>Research assistant</p> <p>UNEP DTU Partnership, Technical University of Denmark (Denmark)</p> <p><u>Tasks</u>: contributing to a project aimed at monetising the sustainable development impacts of clean-development-mechanism projects, in collaboration with the secretariat of the UNFCCC, and reviewing papers on low-carbon national development plans</p>
Feb 2014 - Oct 2014	<p>Research assistant</p> <p>Faculty of Science, University of Copenhagen (Denmark)</p> <p><u>Tasks</u>: evaluating climate change adaptation and mitigation policies through valuation methods, econometric analyses, and surveys design and analysis (both online and offline)</p>
Sept 2006 - 2010	<p>Consultant</p> <p>Pezhvaak Environmental Economic Research Institute (part of Iran's Ministry of Research, Science and Technology), Department of Environment (Iranian government), Forests, Range and Watershed Management Organisation (part of Iran's Ministry of Agriculture), Iranian Association for Environmental Assessment (Iranian non-governmental organisation)</p> <p><u>Tasks</u>: project development and project management, conference organisation, data collection, statistical analyses and cost-benefit analyses, junior staff recruitment and training, stakeholder training, and collaborating centres liaison</p>

## Teaching experience

---

Ongoing	<p>Climate change mitigation policy and related analytical tools</p> <p>Guest lecturer, University of Copenhagen (Denmark)</p>
Mar 2013	<p>Environmental economics – stated preference methods</p> <p>Guest lecturer, University of Copenhagen (Denmark)</p>
Feb 2013 - Mar 2013	<p>Undergraduate statistic and research method training</p> <p>Teacher assistant, University of Bangor (United Kingdom)</p>

Jan 2013	Environmental economics – stated preference methods Guest lecturer, University of Bangor (United Kingdom)
Aug 2012 - 2015	co-supervision of under graduate and postgraduate projects Volunteer, Environmental Economics Institute (Iran)
Aug 2011 - Sep 2011	Environmental economics – stated preference methods Teacher assistant, University of Tehran (Iran)

## Memberships

---

2013 - 2014	PhD association of Denmark Supported the organisation of meetings and conferences, the writing of funding applications, and various communications and outreach initiatives
2013-Present	The Sustainability Science Centre at the University of Copenhagen and network of scholar working on sustainability.

## Publications and conferences

---

Please refer to the enclosure named 'List of publications'

## Selected projects

---

Please refer to the enclosure named 'Documentation of previous research based on the "Assessment" bullets'

## Grants

---

2012 - 2014	Oticon FOND Visiting researcher to universities in the United States and the United Kingdom
2012 - 2014	Ph.D. foreningen – JA Conference participation
2010 - 2013	FONASO – Erasmus Mandus

**Doctoral scholarship**

2011 University of Lausanne's Professor Moshe Ben-Akiva outstanding PhD student  
Full tuition

**Language skills**

---

English	Fluent
Danish	Intermediate
Spanish	Intermediate
Arabic	Elementary
Farsi	Mother tongue

**Computer skills**

---

Office software	Word, Excel and Powerpoint
GIS software	Arc View and Arc GIS
Statistics software	Stata, SPSS, Nlogit, Biogem and SAS
Web-based software	Survey Xact
Other software	Nvivo (social sciences package) and Photoshop (imaging package)
